Washington State SAR Message from the President

Dear Compatriots and Friends,

Imagine, if you will, that the morning news carries the following headline:

"Governor Issues Executive Orders"

You read the article intently, to learn that the Governor has issued several Executive Orders, to take effect immediately: First, that Puget Sound be closed to all shipping for the indefinite future. No ships may offload or take on cargo. No ships may enter or leave Puget Sound. Any vessel attempting to disobey the order will be forfeited, along with all property found thereon. Second, that the Washington State Constitution is revoked. Third, that State and National military forces are authorized to occupy privately owned homes, and to take possession and control of all vacant buildings. No one may contest the Executive Orders. Anyone attempting to resist may be tried, at the convenience of the government, within or without what has been known as the State of Washington.

You are stunned by the news. Your mind reels. What does it mean? What do you do now?

This is not fiction. It occurred. Only the location, the date and a few of the details were changed. The place was Massachusetts, 250 years ago.

We cannot fully fathom what went through the minds of those who read the words... fear, anger, disbelief, confusion. How could this possibly occur? What did it mean? How would it affect life for my family? Will armed soldiers come into my home, and occupy my bedrooms? What will happen to my family, my home, and my possessions? Should we flee? Where would we go?

We now know that the deeply rooted, instinctive human response to trauma is to fight back, flee danger, or freeze in place. Some become hypervigilant, anticipating potential threats at every turn, and distrusting everyone. Some become emotionally detached, trying to distance themselves from the events. Some become numb to other people, feelings, experiences and circumstances, to protect themselves from trauma.

Even within families, the response was unexpected, unstable, inconsistent, and uncontrollable. Society, as they knew it, ceased to exist. No one knew who they could trust. Best friends, family members, and neighbors now all posed risk. In a moment, life changed. Death lurked around every corner, and in every conversation.

But there were those men and women who, despite everything, put everything at risk, and took action. We remember them as our Patriot ancestors.

250 years ago, men and women whose faces, families and fortunes we know only from words consigned to the pages of history, left in their DNA, their actions, and in their firm reliance on the protection of divine Providence, a nation founded on the principles of life, liberty, and the pursuit of happiness.

They must not be forgotten.

It is for us to be dedicated to their unfinished work. Would we, like them, mutually pledge to one another our lives, our fortunes and our sacred Honor, that this nation conceived in liberty not perish from the earth?

It is a hard question, worthy of our best consideration. In our small way, we do so every time we gather, every time we honor our Patriot ancestors, every time we reaffirm our faith in the principles of liberty and our Constitutional Republic, and solemnly pledge ourselves to defend them against every foe.

As we prepare to gather in Ocean Shores, I urge you to reconsider your commitments, and to decide how far you are willing to go to honor them.

Cindy and I wish you all a joyful Easter, and we look forward to seeing you in Ocean Shores.

In Patriotism and Service, Gregory Lucas, State President, Washington Society, Sons of the American Revolution

NATIONAL SAR TOP PRIORITY - SAR JOB ONE!

The very top priority for National SAR to:

- 1) Strengthen SAR chapters and state societies
- 2) Increase membership
- 3) Above all, increase active membership is to:

Create a complete series of rigorous SAR online chapter level courses in video form, complete with final testing to educate new members and "certify" qualified chapter officers and committee members.

1. New SAR member familiarization course.
 2. Registrar qualification course.
 3. Chapter president & VP course.
 4. Chapter Officer qualification.
 5. Chapter committeeman course.
- Videos would be dynamic, interesting, informative and thorough.
 - Testing would be the same - tough.
 - Course Certificates awarded by Chapter president or state officer with strong STATE SUPPORT and recognition.

Does this sound like too big a project, or too this, or too that or too difficult? Not worth doing?

The National DAR already does all of this, and they have 186,000 mostly active members! And trained, qualified officers.

SHOP.DAR.ORG: Member Training - DAR Shopping

DAR Member Training courses provide an opportunity for members to learn more about DAR and how to become active and engaged participants in DAR at all levels — chapter, state, and national. The courses have been designed to fit into anyone's busy schedule of work, family, and play.

SAR Patriot Chest Program

The SAR Patriot Chest Program is an interactive presentation, intended to compliment Elementary and Middle School lesson plans on the Revolutionary War and Colonial Period of American History. The program's purpose is to bring that history alive, while providing students with a sense of the times and appreciation of the Patriot men and women who founded our nation. Presentations use many reproduction artifacts for students to handle that make the period real.

Support! the YOUTH VIDEO CONTEST

Help us build a National program

The Youth Video Contest Task Force is working to establish a new youth contest that celebrates the visual arts. High school students from 9th to 12th grade participate by crafting a video from 3-5 minutes in length. The subject should focus on a person, place, event, or document associated with the American Revolution and its 250th Anniversary. CREATIVITY is encouraged! Pilot program contests are currently active in several State Societies. Please help us encourage research and learning by contributing to the Youth Video Contest.

A Moment Of Silence For A Fallen Compatriot

George D. Boice of the Mid-Columbia Chapter joined our ancestors on Sunday, 4 February after being in the hospital for phenomena. He is survived by his wife, Connie, 3 children, 7 Grandchildren, and 7 Great grandchildren.

George was the type of man that enriched those that knew him. He lived a life full of interesting experiences. He had deep roots in this area and was a local historian. He had a strong memory and an ability to tell stories in an interesting and humorous way and he had a plethora of stories to tell.

I understand that George played Santa Clause for many years for the Pipefitters Union. I can see how he would be a natural in that roll, in looks, temperament and his natural belly laugh. What could be a better compliment than to say George was a natural Santa Clause. George was also a member if the WASSAR Color Guard for many years.

I feel honored to have known George and to have sponsored him to our SAR Chapter.

Larry Flint, Secretary Mid-Columbia Chapter

Spokane Flag Museum

When Stan Wills opened the flag museum 15 years ago, He wanted to educate people about flag history. Since then, He has added over 100 replica flags and several antique flags. The flag (pictured at right) was recently donated to the Flag Museum by Bob & Sue Bowers of Spokane. It was part of a George W. Shields flag collection that they had purchased. The flag is an original silk flag dated from 1877-1890. It measures 72" X 75" and is too large to display. Stan has archived it per national antique flag guidelines and will display a picture of it. There are many things that make this flag very unique. First it has 39 stars. The global star configuration, instead of stars in a row. Stars in a row did not become flag code until 1912. The stars are hand sewn gold thread. The Coast Guard logo is printed on it. There are only 20 known 39-star flags to exist and none have this star configuration and none have gold stars.

The best guess is that it flew on a Coast Guard Ship in the Great Lakes from 1877-1890. In 1876 our country flag had 38 stars and when Dakota was proposed to be the 39th state flag makers started making a 39-star flag, but congress decided to split Dakota and make it two states, North & South Dakota. The sent flag makers to create a 40 Star flag. Before the 4th of July when new states were added to flags, two more states were added, Washington & Montana. This created a need for a 42-star flag and made the 39 & 40 star flag obsolete.

However, on 3 July 1890 Congress added another state, Idaho making it the 43rd state and a need for a 43-star flag. On 4 July 1890 our flag went from 38 stars to 43 stars. This made the 39, 40, & 42-star flags obsolete but very valuable to collectors. Very few were made or survived. Stan Wills, Spokane Flag Museum

SAR “Patriotic Appeal”

SAR “Patriotic Appeal” will attract new members. There are many thousands of fine, eligible prospective members in this great country of ours who, if acquainted with the SAR at all, probably think of it as just a genealogical and historical society.

We have all encountered people who ask, “I’ve heard of the SAR, but just what do you guys do?” It is of the utmost importance that every member becomes familiar with the Societies objectives and purposes as outlined in its charter. In this way, each of us can answer these simple questions effectively, and thus, “inspire the community at large” with a more profound reverence for the principles of the government founded by our forefathers. Have an elevator speech on the SAR ready!

As you spread the word, you will find patriotic men becoming interested in joining the SAR. Keep informed, that you may speak on the issues of the day. Tell others that the SAR is fighting for those principles and freedoms for which our forefathers fought. Let them know we are a “live, vigorous organization”, and, that to join the SAR is to become a vital part of our determined efforts for the glory of this great sovereign nation!

It is of far greater importance than some may realize to secure as much publicity for your chapter’s functions and observances as possible through the newspapers, TV and radio and other social media. For as men learn of our activities and agree with our purposes, they will desire to affiliate with us.

We urgently need more members. Admittedly, mere numerical strength is not in itself our object. But, every time we can gain a new member who cherishes the same patriotic viewpoints and objectives as we do, we have gained a fresh recruit in our ranks to spread our message. It is just as imperative that we have dedicated citizens in 2024 as those who met their countries need in 1776. The call is for men with the courage of our Revolutionary sires who were willing to face the strongest military power in the world and fight for freedom, to step forward and become an active recruiter.

Every Washington State chapter includes in its members, informed, capable speakers on issues of the day, American history, the Constitution, the Revolutionary Soldier or other kindred subjects. These talents should be made available to civic and service clubs, schools, patriotic occasions or wherever they can bring our Society objectives to the attention of the public.

The “**patriotic appeal**” of the SAR has a greater potential than we may realize. If we give our Societies exalted aims greater exposure, we will attract patriotic men, men of integrity, men of honor, men of courage and men with the will to keep our nation great, sovereign and proud! **WE NEED THESE MEN.**

Don’t delay. The time is NOW! Let’s dramatize the SAR’s “**patriotic appeal**” with every dignified means at our disposal. If you are not at present an active, “doing” member, resolve to become one as of this minute. The rewards of wholehearted participation in so worthy a cause will soon be realized as other men of stature add their names to our roster and their power for good to our resources. **ACT NOW!**

Spokane #1 Chapter

On Saturday 20 Jan, Stan Willis presented the **Outstanding Sea Cadet SAR Community Service Award** to Cadet Landon Grace. The presentation took place at the Spokane Battalion Awards ceremony

George Rogers Clark Chapter

The George Rogers Clark Chapter's connection to the 250th anniversary of the signing of the Declaration of Independence grew closer to July 4, 1776, when President Lew Maudsley, founding President Art Dolan, and Awards Chairman, Dick Moody visited member Warner Gibson Taylor III at his home in Puyallup.

Ninety-three-year-old "Gib" is a direct descendent of Benjamin Harrison, one of the 56 signers of the Declaration of Independence. Harrison, a delegate from Virginia, also presiding over the Continental Congress during its final consideration, described by the National Archives, as a meeting that "...continued through all of July 3 and into the later morning of July 4. The Declaration had been officially adopted."

President Maudsley presented Gib with a framed Silver Good Citizenship medal. The mounting was adorned with a small plaque of the SAR logo and the SAR's 250th Anniversary of the Declaration of Independence logo. The mounting included a small plaque reading:

George Rogers Clark Chapter, Sons of the American Revolution, Presents the Silver Good Citizenship Medal to Warner Gibson Taylor III honoring his ancestor Benjamin Harrison signer of the Declaration of Independence, July 4, 1776.

President Lew Maudsley presents Warner Gibson Taylor III with the Silver Good Citizenship Medal honoring his Patriot Ancestor Benjamin Harrison, a signer of the Declaration of Independence.

Assisting with the presentation were Dick Moody, and on the right, chapter founding President Art Dolan.

George Washington Chapter

9 Feb, Chapter Compatriot Jeffrey Spencer gave the invocation before the Washington State Senate in Olympia, by invitation from the Lt Governor's office via our State Senator, Ron Muzzall. Proudly wearing his SAR rosette for the occasion, in honor of President's Day this month, Compatriot Spencer offered a prayer written by George Washington:

"May we unite in most humbly offering our prayers and supplications to the Great Lord and Ruler of Nations, and beseech him to pardon our national and other transgressions; to enable us all, whether in public or private stations, to perform our several and relative duties, properly and punctually; to render our [national] government a blessing to all the people, by constantly being a government of wise, just, and constitutional laws." Amen."

Cascade Centennial Chapter

Cascade Centennial continues to focus on quality monthly meetings, chapter growth, member recognition, and (these past few months) the SAR youth award programs. Our meeting attendance continues to grow--we've had 25 to 30 attendees consistently the past few meetings and are stretching the limits on our room at Enzo's. We've been inducting new members the past several meetings thanks to the diligent efforts of Genealogist Rob Sexton and compatriot Norm Eberly who is assisting our members with supplemental applications. Members of the Cascade Chapter of DAR in Bellevue continue to attend our meetings, where we enjoy a blend of camaraderie (and great food!), excellent programs, and abbreviated business each month. Of special importance, we strive to have relevant programs directly related to the American Revolution that are presented by experts in the field--many of whom have had peer-reviewed articles published in the prestigious *Journal of the American Revolution*. At our March meeting, our King Eagle Scout Scholarship winner attended (with his parents and Scoutmaster), shared his essay, and was presented a \$300 check by chapter coordinator Greg Emerson. In addition to our Eagle Scout Scholarship, we have received nomination packages for the Youth Video Contest and the Enhanced JROTC Award--both students are or soon will be competing at the State level. Compatriot Bob Doughty lined up judging panels consisting of our newer members to get them involved and help expose them to the youth programs.

Our eyes are now on Ocean Shores and the 2024 State Conference on April 26-27.

Alexander Hamilton Chapter

Operation Ancestor Search

On a gloomy winter's day, Compatriots from the Alexander Hamilton Chapter head over to Joint Base Lewis-McChord (JBLM) bringing cheer to the Wounded Warriors convalescing at the Soldier Recovery Unit (SRU). The Compatriots represent the Chapter's outreach efforts in Operation Ancestor Search (OAS), which is a free national genealogy training program for Wounded Warriors and their families. The effort to connect Wounded Warriors with their ancestral roots has been spearheaded by Compatriot Rodger Dent and joined by Compatriots Keith Weissinger and Timothy Smith. The team has been visiting the Wounded Warriors at least once per month for the past few years. OAS is a program initiated by the SAR and generously supported by Ancestry.com who has contributed a \$180,000 grant over three years. The goal is to assist the Wounded Warriors in connecting with their ancestral roots.

A survey conducted by Ancestry.com in 2022 showed that 53% of Americans could not name all four of their grandparents. However, 66% of respondents said they want to learn more about their family history and 51% want to read stories about when their ancestors were young and what life was like back in the day.

The Wounded Warriors have embraced Alexander Hamilton's OAS team enthusiastically. During the last OAS meeting, they found out one of the Soldiers is a 6th generation Washingtonian: his ancestors came to Washington Territory on the Oregon Trail.

This underscores the fact that searching for ancestors is like prospecting: the more you look the more you find. Occasionally, you find a nugget of gold.

DAR "America 250!" Project

In July 2026, the United States will mark its 250th anniversary.

During this National Semi quincentennial Celebration DAR chapters across the nation are working to leave a lasting impact on their communities through meaningful local projects and events.

The National DAR Society introduced a new America 250 project in 2020.

<https://blog.dar.org/introducing-new-dar-america-250-patriots-marker>

The WA State DAR Chapter Regents Club (CRC) will take part in the project and will place two (2) bronze markers, created by the National DAR society and produced by Classic Bronze Resources. One to be placed on each side of the state.

Donations at any level are happily accepted and those of \$500 or more will receive special recognition either on a supplemental plaque or on an accompanying QR code.

So far, 17 DAR chapters are participating.

The Washington State project is called "**CRC WA East/West America 250!**" and is a collaboration amongst the Chapter Regents Club, DAR Chapters in WA State, patriotic groups, and individuals. America 250! memorials will be located at **South Pines Cemetery** in Spokane Valley in a Patriot Plaza being created and at the **Mountain View Memorial Park** in Lakewood. The (cement) bricks on the east side will be installed at a Patriot memorial, and on the west side, they will be installed on the grounds of the Rainier Chapter House in Seattle, a full-sized replica of Mt. Vernon.

The memorials give tribute to America's 250th Anniversary and the engraved patriot bricks (described below) will be a special tribute to our individual patriots.

Patriot Bricks:

Engraved bricks will offer a unique and lasting opportunity and will be a special tribute to all of our individual Patriots so their names will be acknowledged in our state as the instruments of our freedom. Bricks will be sold for \$60 each until May 2, 2024. The bricks will have the patriot's name, service, and colony of service. Order one for each of your patriots or any proven patriot you wish to honor

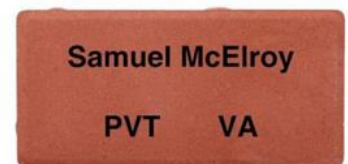

To order your bricks go to the **Chapter Regents Club, WA STATE DAR** website:

<https://polarengraving.com/wssdarcrc>.

We hope that SAR will join us in honoring patriots through the purchase of the bricks. You are welcome to participate in the monuments and/or the Patriot Bricks. Join us! Dedications will be held. Funds received will be used for the project, with any extra donated for patriotic causes.

News From The WA State SAR Ladies Auxiliary (LAWASSAR)

[Facebook Page](#)

To our Ladies –

We are looking forward to seeing all of our Ladies at the SAR State Conference in Ocean Shores April 26 – 27, 2024. In addition to the Conference, we are also celebrating “Patriot Week 2024”, a week of events hosted by the Washington Society, Sons of the American Revolution, to celebrate the 250th anniversary of the founding of our country. Patriot Week 2024 takes place from April 22 – 27, 2024.

Patriot Week 2024 starts with an historic ceremony aboard a Coast Guard vessel to honor Patriots buried at sea. This is the first of its kind event in the history of the nation, in which all Veterans buried at sea, from the Revolutionary War to present, will be honored with the “burial” of a bronze plaque at sea from beneath a flag bearing the names of all victims of 9/11.

The week will include genealogy sessions provided by members of local genealogical organizations, the dedication of an SAR bench in a joint ceremony with the City of Ocean Shores, an “Evening with George Washington” at the historic 7th Street Theatre in Hoquiam, a Liberty Tree Dedication conducted in Hoquiam with the City of Hoquiam, a lecture series at the Ocean Shores Cinema, and a ceremony to honor all Veterans in Grays Harbor County at which Vietnam Veterans will receive the Department of Defense 50th Anniversary of the Vietnam War Lapel Pin. During that ceremony, three Veterans will receive Quilts of Valor.

But we are especially pleased to invite all of our ladies, members of the DAR, and genealogy volunteers to a special lady’s luncheon on Friday, April 26th, 2024, at Faith Community Church in Ocean Shores. Our guest speaker will be Lauri Leirdahl, the National President of the Quilts of Valor Foundation. Please plan to attend the luncheon, as well as all of the events being conducted during Patriot Week 2024.

We hope to see everyone this year in Ocean Shores!

Please remember to drive carefully. Ocean Shores has a large population of resident deer that are beloved by the city.

A POEM WORTH READING (from the Editor)

He was getting old and paunchy
And his hair was falling fast,
And he sat around the Legion,
Telling stories of the past.

Of a war that he once fought in
And the deeds that he had done,
In his exploits with his buddies;
They were heroes, every one.

And 'tho sometimes to his neighbors
His tales became a joke,
All his buddies listened quietly
For they knew where of he spoke.

But we'll hear his tales no longer,
For ol' Joe has passed away,
And the world's a little poorer
For a Veteran died today.

He won't be mourned by many,
Just his children and his wife.
For he lived an ordinary,
Very quiet sort of life.

He held a job and raised a family,
Going quietly on his way;
And the world won't note his passing,
'Tho a Veteran died today.

When politicians leave this earth,
Their bodies lie in state,
While thousands note their passing,
And proclaim that they were great.

Papers tell of their life stories
From the time that they were young,
But the passing of a Veteran
Goes unnoticed, and unsung.

Is the greatest contribution
To the welfare of our land,
Some jerk who breaks his promise
And cons his fellow man?

Or the ordinary fellow
Who in times of war and strife,

Goes off to serve his country
And offers up his life?

The politician's stipend
And the style in which he lives,
Are often disproportionate,
To the service that he gives.

While the ordinary Veteran,
Who offered up his all,
Is paid off with a medal
And perhaps a pension, small.

It is not the politicians
With their compromise and ploys,
Who won for us the freedom
That our country now enjoys.

Should you find yourself in danger,
With your enemies at hand,
Would you really want some cop-out,
With his ever-waffling stand?

Or would you want a Veteran
His home, his country, his kin,
Just a common Veteran,
Who would fight until the end.

He was just a common Veteran,
And his ranks are growing thin,
But his presence should remind us
We may need his likes again.

For when countries are in conflict,
We find the Veteran's part,
Is to clean up all the troubles
That the politicians start.

If we cannot do him honor
While he's here to hear the praise,
Then at least let's give him homage
At the ending of his days.

Perhaps just a simple headline
In the paper that might say:
"OUR COUNTRY IS IN MOURNING,
A VETERAN DIED TODAY."

AMERICA'S FIRST VETERANS

AND THE FACE OF THE SAR

From The Commander

Compatriots,

The WASSAR Color Guard continues to be actively engaged in promoting the objectives of the National Society of the Sons of the American Revolution! Nearly every issue of the SAR Magazine and SAR Guardsman we have a 3-6 page spread, reporting on the activities that we have been engaged in. This is something that every one of the Color Guard participants should be proud of. After all, you are the very faces of the SAR and you are doing a fantastic job in Washington State.

For those of you who are unfamiliar with the SAR Guardsman, this is an electronic only quarterly magazine dedicated to the Color Guard. The magazine can be located on the SAR.org website after some trying navigation, or on our state website. Currently, on the State website, the Color Guard links are under the Community link. When in the Color Guard pages, if you go to the Documentation link, there will be a link to the "National Color Guard Newsletters" which will take you to the current and past issues of the SAR Guardsman, under the title of SAR Guardsman Magazine. If you look at the latest issue, you will see our own State Registrar, John Kraft during a Wreaths Across America Ceremony. Yes, we got the cover of the magazine! I try to communicate that the new issue is available through the Chapter Color Guard Captains for dissemination.

This past quarter has as usual, a busy time, particularly for school presentations as the students in our local communities are completing the studies of the Colonial Period. So far this school year, from what has been reported to me, we have presented to over 1,000 students and there is still 2 ½ months to go. Way to go and keep it up!

Other activities included the President's Day (George Washington Birthday), ROTC presentations, and Washington State Patriotic Day.

Looking Forward: We are once again in the time of year where Honor Flights will be running. What a wonderful opportunity to thank a Veteran for their service. Check in your local areas for the times.

There are two (2) Veteran re-internment memorial services coming up in May in the Centralia part of the State. Details are still be worked out. Keep an eye on the Color Guard Calendar for more information on the events.

State Conference (Apr 26-27): There are several activities where the Color Guard will be posting and retiring colors during the State Conference week. These will be printed and available to you both at the Color Guard meeting and in your Conference packet. A Color Guard meeting is scheduled for Friday, April 26 from 11-12pm. Following lunch there will be a Color Guard rehearsal, starting at 1:30. Then at 5pm we will have the annual Color Guard Photo. All of these activities will take place in the Conference center in Ocean Shores.

I wish to express my thanks and appreciation to all of the Color Guard members, their service and sacrifices for making WASSAR one of the greatest societies of the Sons of the American Revolution. It is an honor to server with you. As a final note, for Color Guard members within your chapter that may be less active, be sure to invite them and include them in the activities. They may need a little coaxing.

Respectfully Submitted, Neil A Vernon, WA State-SAR, Commander, WA State Color Guard.
